Southwest DeKalb High School
Attn: Principal Thomas Glanton
2863 Kelley Chapel Road
Decatur, Georgia 30034

Dear Potential Partner:

You are cordially invited to partner with Southwest DeKalb High School in its Partners in Education (P.I.E.) program to make a difference in our academic and extra-curricular programs. Our Partners in Education Program is a special program designed to bring together Southwest DeKalb High School (SWD) families, organizations and businesses to enhance the academic and extra-curricular endeavors of our students by providing volunteer support, extra funding, and unique services. The objective of the Partners in Education is to improve the overall learning environment of our students so that they in-turn will become productive citizens here, at home, and in our global economy.

If you decide to join our civic, non-profit, small and large business partners in providing volunteers, services, scholarships, supplies, equipment and monetary donations, your participation will include the following:

❖ Improved education and understanding of a relentless potential work force.
❖ Enhancement of your company/organization’s public relations through recognition of your presence, and endeavors as a Partner in Education.
❖ Awareness of SWD’s untapped vital resources, and their contributions to the economic stability of the community at large.
❖ Recognition of your company/organization’s participation in SWD’s Partners in Education Program.

Attached is the SWD Partners in Education packet and agreement for your signature. The signed agreement can be sent to the address above or emailed to: Thomas_Glanton@dekalbschoolsga.org. You may also access the agreement form on the school website: http://swdekalbhs.dekalb.k12.ga.us/ under Quick Links: SWD Partners in Education Program. If you have any questions, you may reach me at 678-874-1901 (work) or 678-361-5773 (cell).

Sincerely,

Dr. Thomas Glanton, Principal
Southwest DeKalb High School

ABOUT SWD

Southwest DeKalb High School is rising as an academic powerhouse.

Southwest DeKalb houses the High Achievers Magnet Program for the south end of the county, the 9th grade Academy of Scholars and along with the resident students hosts an enrollment of over 1200 well-rounded students. Consistently, Southwest DeKalb students receive millions of dollars in academic and athletic college scholarships.

More than half of our faculty and staff have advanced degrees. Several of our teachers are veteran educators with more than ten years of experience. Teachers are committed to educating all students who enter their classrooms and many of them extend themselves beyond the normal school day by serving as coaches or sponsors of extracurricular activities.

Tutorial help is offered to all students daily. All teachers dedicate at least two days per week before or after school tutorials in conjunction with Saturday School sessions for 9th graders. Via departmental and team meetings, teachers are able to meet and collaborate with their colleagues. In doing so, teachers are able to provide guidance and support for each other.

SWD MAGNET PROGRAM FOR
HIGH ACHIEVERS

Southwest DeKalb High School is an academic powerhouse. As such, it is home to the High Achievers Magnet Program. Along with the resident students, the school hosts an enrollment of over 1170 well rounded students. Consistently, Southwest DeKalb students receive thousands of dollars in college scholarships for academics as well as athletics. More than half of our faculty and staff have advanced degrees. Several of our teachers are veteran educators with more than ten years of experience. Southwest DeKalb has four teachers which are AP Exam Readers (there are approximately 140 in the entire county) as selected by the college board. Our teachers are committed to educating all students who enter their classrooms and many of them extend themselves beyond the normal school day by serving as coaches or sponsors of extra-curricular activities.

Southwest DeKalb offers many programs that increase the rigor of course work for our students. Students who participate in the program are selected based upon their grades and standardized test scores.

Advanced Placement (AP) courses are college courses that are offered in high school.

Southwest DeKalb High School currently offers the following AP classes:

- English Language
- English Literature
- World History
- U. S. History
- Human Geography
- European History*
- U. S. Government
- Studio Art*
- French
- Calculus*
- Statistics*

*Have offered these frequently in the past; presently depends upon student interest.
The Magnet Programs are designed to offer students unique educational opportunities to build each student’s academic talents, interests, and abilities. The administrators and instructors of the various magnet programs instill high academic expectations in all students. The differentiated instructional strategies and techniques utilized by the staff members of the magnet programs help our students to experience challenging and stimulating opportunities to ensure academic success while participating in the magnet program.

EMBRACE THE GOOD TRADITIONS…
WE ARE SOUTHWEST DEKALB!

SWD MAGNET ELIGIBILITY

All applicants for the high achiever’s magnet program must have a Fall semester 3.0 (or higher) grade point average (GPA) in the core subjects. DeKalb students must also earn a 75th percentile (or higher) total reading score, 75th percentile (or higher) total math score on the baseline M.A.P. assessment taken in the school year 2019-2020. All students not enrolled in a DeKalb County School District school must also earn a 75th percentile (or higher) total reading score, 75th percentile (or higher) total math score on the baseline M.A.P. assessment taken in the school year 2019-2020.

Students applying for the high school high achiever’s magnet programs must also successfully complete grade level prerequisite courses.

Students enrolled in the magnet programs for high achievers must maintain an overall numerical core average of 80, a numerical minimum grade of 71 in all core subjects, and meet the promotion criteria each semester.

Students who do not maintain the academic performance criteria are placed on probation for one semester.

Introduction to Healthcare Science  25.52100
Introduction to Healthcare Science is the foundational course for all Health Science pathways and is a prerequisite for all other Healthcare Science pathway courses. This course will enable students to receive initial exposure to the many Healthcare Science careers as well as employability, communication, and technology skills necessary in the healthcare industry.

Essentials of Healthcare  25.44000
Anatomy and Physiology is a vital part of most healthcare post-secondary education programs. The Essentials of Healthcare is a medical-focused anatomy course addressing the physiology of each body system, along with the investigation of common diseases, disorders and emerging diseases. The prevention of disease and the diagnosis and treatment that might be utilized are addressed, along with medical terminology related to each system. This course provides an opportunity to demonstrate technical skills that enforce the goal of helping students make connections between medical procedures and the pathophysiology of diseases and disorders. The pre-requisite for this course is Introduction to Healthcare.

Patient Care Fundamentals  25.43600
This course is designed to provide students interested in the careers that involve patient care with entry level skills most commonly associated with the career Nursing Assistant. The students are required to meet both national and intrastate professional guidelines as designated by applicable regulatory agencies such as the Occupational Health and Safety Administration (OSHA), Center for Disease Control (CDC), and the Department of Health and Human Services (HHS) with a specific focus on the Omnibus Budget Reconciliation Act of 1987 (OBRA) and the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Upon completion of this course and its prerequisites, this course meets the Certified Nurse Assistant curriculum content as specified by the Georgia Medical Care Foundation.
