Dear Parent(s)/Guardian(s):

The Georgia Board of Education requires all students who are enrolled for credit in any of the courses listed below to take the Georgia End of Course (EOC) upon course completion. The following four courses in Georgia have EOCs:

- American Literature
- U.S. History
- Biology
- Algebra Concepts and Connections

The **End-of-Course serves as the final exam** for the courses listed above, per the Georgia Department of Education. The Board established a grade of 70 as the “passing score” for the End-of-Course test and for all courses.

For a student to receive credit for an End-of-Course, the average of the coursework and the EOC score must equal or exceed 70. (See Georgia SBOE rule 160-4-2-.13.)

Below is the Spring 2024 EOC Test Schedule:
